

The Orchard Lane winery lies down a long quiet lane in the heart of the Marlborough wine growing region.

In an area once surrounded by apple orchards only one gnarled row remains, providing fresh apples to our winemakers over harvest.

WINEMAKERS COMMENT:

A highly aromatic summer wine. This Pinot Gris dominant Rose has been blended with just enough Pinot Noir to add that strawberries & cream character. A small bump of Riesling adds to the depth and gives sneaky citrus fruits a chance to surprise the palate. 95% tank ferment. 5% stainless barrel.

TASTING NOTES:

Aromas of fresh raspberries accompanied by juicy citrus notes. This luscious rose has intense 'Summer in a glass' flavours of sweet strawberries & water melon held together with a crisp, off-dry, mouth watering finish.
